

## Child Safe Standards Implementation at Roxburgh Park Primary

### 2019 *Parent Volunteer Declaration*

---

Roxburgh Park Primary is a Child Safe School. We have a zero tolerance stance on child abuse and are committed to the protection of all children from all forms of abuse.

We are clear about our behavioural expectations of every person in our community.

We have developed a Child Protection and Safety Policy and Child Safety Code of Conduct\* that detail our comprehensive approach to protecting children from abuse. It provides a high-level statement of professional boundaries and ethical behaviour, as well as acceptable and unacceptable relationships.

***Please complete the declaration below and hand to office staff.***
