Dear Parents and Guardians,

I am excited to inform our school community that Gwen Pringle will be returning to our school at the beginning of next term as the Community Hub worker. Gwen is known to our community, respected by all and will have an impact in her new role.

It is regrettable to inform our school community that Maggie Temos will take up a position at Mernda Primary School starting next term. Maggie introduced our school to Read Write Inc as well as taking on the responsibilities of coordinating the Prep Team, transition program and Ready, Set, Go Program to our school. We wish her all the best.

3 Way Conference

Yesterday was a wonderful opportunity for you to meet and get to know your child's teacher and strengthen the positive and respectful relationships we have with each other. I heard from parents throughout the afternoon and evening of the achievement of their child(ren)..

I also had meetings with parents of students that have missed a lot of days through absence. There were commitments made to ensure their child attends school.

At Assembly this week we have Callum shaving his head to raise funds for the Leukaemia Foundation at 1:45 – 2:20 and a performance from Jam Hot at 11:30-12.30.

Have a safe and exciting holiday

Kind Regards
Ric

Social Networking is the use of software such as Facebook, YouTube, Instagram, What's App and many others. We use them for Social Connections, Social Status and Social Identity. Unless we know the people who connect to us, it could be anyone. Protecting our children from unwanted Cyberbullying, Grooming, and Sexting is our major concern. We increase the risks by:

- Sharing too much information
- Not protecting personal information (i.e., iCloud & other form of online storage)
- Treating online friends as real friends

What can parents do to protect their children?

- **Stay involved** in your child's use of new technology – Set up your own account and learn about privacy settings
- **Check the age restrictions** for the social networking service or game – Users need to be **13+** for mainstream sites like Facebook, Instagram and others
- Advise your child to **set their account to private**
- **Encourage** the steps of **STOP, THINK, DO** – think before posting
- **Monitor online activities** – have the computer somewhere busy or where you can see
- Learn how to **keep a copy of online conversation**
- Teach your child to **report any abuse or inappropriate content** to the social networking sites
- **Turn off Location Services**
- **Discuss expectations** (ie., rule around giving out Wi-Fi password and establish time limits)
- **Contact ISP – Last resort**

Help RPPS by Collecting Woolworths Earn & Learn Stickers starting July 26th

We are excited again to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn stickers when you shop at Woolworths between Wednesday 26th July and Tuesday 19th September 2017. We will redeem these stickers for awesome educational resources for our school.

So ask grandparents, friends, neighbours & work colleagues to help us to collect stickers and fill as many sticker sheets as possible. Sticker sheets will be available next term.

We are grateful for your support and look forward to a successful program.

More information available next term.

Thankyou

Chris Quayle.
